CRS Receives RSPA Silver & Bronze Vendor Awards

St. Paul, MN – CRS earned two “Vendor of Excellence” awards at Retail Now 2010, the summer Convention and Expo of the Retail Solutions Providers Association (RSPA) in Las Vegas, Nevada. An RSPA Award of Excellence is an honor given to a vendor by their dealers and is highly coveted in the retail technology industry. CRS was recognized with the Silver Award in the Hardware Manufacturer category and the Bronze Award in the Technology Distributor category.

About RSPA Awards

Each year, the association membership is surveyed to select and recognize outstanding vendors. RSPA Awards of Excellence allow dealers to vote for their favorite vendors in six categories: Hardware Manufacturer, Software Application Developer, Technology Distributor, Payment Processor, Customer/Reseller Support and Consumables/Supplies Provider.

About RSPA

The RSPA is the nation’s largest Industry Association for retail technology. RSPA represents hardware manufacturers, software developers, distributors, resellers, and consultants -- any company providing retail technology products or services -- to the hospitality, general retail, supermarket or c-store vertical markets.
