

## Features

- Collect cash register reports from the convenience and privacy of your office.
- Backup the considerable data in your cash register. Keep a current backup of your cash register program.
- One software package can poll multiple stores; no need for multiple licenses.
- Print/view reports that are easy-to-read and use.
- Consolidate sales reports from multiple stores.
- Add/change PLUs and other register options quickly and easily from your PC.
- Prepare sales item/price specials ahead of time and download when needed.
- Backup – Edit – Restore all from your PC.

## Polling Features

- Connect directly via RS-232C or remotely via telephone modems or via IP with serial/ethernet adaptor at the ECR.
- Poll reports from the register, then save, display or print them at the PC.
- Poll all stores, or individual stores from a single licensed PC.
- Poll unattended at a predetermined time.
- Customize your polling session by defining the reports you wish to poll.
- US Robotics V.92 56K external modems are recommended for modem polling applications (for both PC and ECR sites).

## System Requirements

- Requires Windows XP through Windows 10.
- Works with both, 32 bit and 64 bit Operating Systems.
- 64 MB RAM.
- 150 MB minimum hard disk space available.
- Dedicated serial port or USB to Serial adaptor.
- Can load from CD ROM, SD card or USB memory drive.
- VGA or SVGA display.
- USB port for software key.

## SAM52M / SAM900 – Download Bitmap Images for Custom Logos

The SAM4s ER-5200M Series and ER-900 Series electronic cash registers features integrated high-speed thermal printers. Retailers can use receipts as marketing tools – reinforcing brand exposure by printing logos, coupons, and/or advertising messages. Use SAM Software to download bitmap images and keep your store image fresh and up-to-date.

SAM Software provides an easy-to-use barcode printing utility. Use an optional BTP-L520, BTP-L540 (shown) and the BTP-L580IIC to print item or shelf labels.

The BTP-L540 produces direct thermal labels varying in width from 2.14" to 4".

- Drop and print media insertion.
- Dual Interface – USB Interface is on the main board.
- Choice of USB, Serial, Parallel and Ethernet interfaces.
- Peeler models available.
